2022 JUNE HOLIDAY CLASSES FOR 'O' Levels

| Subject/Level | Date/Time | Teacher |
|--|---|--|
| 'O' level E Maths | 6-10 June Mon -Fri (9am - 2pm) (1 hour break) | Ms Tan is a very experienced A Maths and E Maths teacher. She has a lot of exposure teaching in schools. |
|  'O' level A Maths | 13-17 June Mon -Fri (9am - 2pm) (1 hour break) | Ms Tan is an ex-school teacher from Maris Stella High School with many years of teaching experience. Many students have improved tremendously after being taught by her. She also has vast experience teaching in secondary schools. She gets along well with students and they clear their doubts with her easily. |
|  'O' level Chemistry | 6-10 June Mon -Fri (9am - 2pm) (1 hour break) | Mrs Lew is an ex-school teacher from Maris Stella High and Crescent Girls' School who specializes in 'O' level Chemistry for the past ten years. She is well regarded for her detailed and clear explanation. She also published book titled 'O' level Chemistry Practice Questions Classified Topic by Topic." |
|  'O' level Physics | 20-24 June Mon -Fri (9am - 2pm) (1 hour break) | Mr Rick Tan is an ex-school teacher with a PGDE(merit) and has taught in secondary schools for many years. He has helped various students from neighbourhood schools like Northview Secondary to independent school like School of Science and Technology. Mr Tan is able to illustrate difficult concepts with easy everyday examples that his students can relate well to. His strength lies in his ability to quickly build rapport with his students to bring out the best in them. |
