2026 JUNE HOLIDAY CLASSES FOR 'O' Levels

Level/Subject	Teacher
Sec 4 Maths	Mr Ted is a NIE-trained ex-school teacher, who specialises in Maths with over 25 years of teaching experience. He is an experienced educator and chief examiner. He is also a PSD scholar and has a PGDE (Postgraduate Diploma in Education).
Sec 4 A Maths	
Sec 4 Chemistry	Mrs Lew is an ex-school teacher from Maris Stella High and Crescent Girls' School who specializes in 'O' level Chemistry for the past ten years. She is well regarded for her detailed and clear explanation. She has published a book titled 'O' level Chemistry Practice Questions Classified Topic by Topic."
Sec 4 Phy	Ms Ong is an ex-Secondary school Science teacher with more than 5 years of experience and works on improving the academic results of her students by ensuring a nurturing environment that promotes creativity and innovation within individuals. She is experienced in providing class tuition for lower Secondary Science/Physics/Chemistry/Mathematics for more than 10 yrs.
Sec 4 Biology	Mr Dean is a dedicated educator with over 20 years of experience teaching Lower Secondary Science, Chemistry, and Biology. Having taught at a top school, he stays updated with the latest syllabus to ensure his students receive the most relevant and effective learning experience.

Seats are only confirmed upon payment.

Who should attend?

- All Sec 4 students taking 'O' level. (Sec 3 students are welcomed to join S3 topics!) - Students who need a quick revision and consolidation of facts for 'O' level Chemistry, Physics, A Maths, E Maths.

Why you should attend?

- Put in minimum work and get maximum results.
- Saves time since there is emphasis on the main points of the chapter. Revision and explanation of all the concepts. NOTES will be provided.
- Easy to understand explanations and concise teaching. Learn from the expert and have all your doubts cleared.
